

Mobile Food Pantry™

This program brings **truckloads full of food and supplies directly** to Children, Families & Seniors in need **across 28 Ozarks counties**. Utilizing both an adapted beverage trailer & a donated tractor-trailer, these **“pantries on wheels”** bring food to people living in poverty & to those needing help for the very first time.

Each Mobile Food Pantry™ distribution provides an **average of 10,000 lbs.** of food & supplies to **100-150 families**, reaching **300-400 individuals**.

The trucks distribute more **fresh produce & other perishable foods** than many agencies' facilities will allow. Items food stamps don't cover are also distributed as well as items with quick expiration dates.

This local food bank has been a blessing to our family. We have a large family & this service has helped us to stretch our food thru to the next month.

Transforming Hunger into **Hope**™

The MFP™ serves communities lacking food assistance programs as well as supplements pantries with limited capabilities **each week**.

Volunteers can serve clients directly from church, school or community center parking lots or can set-up inside a gym or auditorium, if needed.

The program has served more than **2 million lbs. of food** to nearly **30,000 families**, or more than 70,000 individuals in need, since 2006.

Become a **Hunger Hero**

Community partners sponsor Mobile Food Pantry™ distributions by pledging to raise funding for the cost of fuel, a driver and other necessary insurance fees. The food, inspection, sorting, repacking, storing and loading is provided by Ozarks Food Harvest. Please call Mary Zumwalt at (417) 865-3411 for current costs. *The rising cost of fuel adds an even greater obstacle for those without food!

I can only afford a limited amount of groceries every 2 wks. Somedays my husband + I only eat 1 meal a day so that our children have bread for breakfasts + lunches along w the 1 dinner we may enjoy. We are very grateful to have community outreach so come to finish out our month.
